

### Continuing Education Video Agreement

1. You may request a video by contacting the Alaska Chapter at 907/332-6279 or 1-800-478-6279. You may also e-mail [director@naswak.org](mailto:director@naswak.org) or FAX this form to 907/332-6270 along with the list of the videos you are interested in.
2. Continuing Education Contact Hours are available for viewing videos in the NASW Alaska Chapter Library. The rate for **three** contact hours is \$40 for an NASW member or \$55 for non-members. The rate is based on a fee of \$10 per hour for NASW members and \$15 per hour for non-members, plus \$10 S&H fee per video. Videos will be shipped and returned priority mail and will be insured at the rate of \$250 per video. Please mail to: NASW Alaska Chapter, 401 E. Northern Lights Blvd, Suite 205, Anchorage, Alaska 99503.
3. Within 14 days, please return the video(s), payment in full and your summary to receive your CEU certificate. If you need additional time, please contact the Chapter office as soon as possible to make arrangements. **However, all videos must be returned within 30 days of receipt.**
4. To allow access by as many NASW members as possible we would appreciate your attention to this schedule. If tapes are returned late, an additional fee of \$10.00 will be charged to receive your CEU certificate.
5. Each person who will receive a CEU certificate **must complete a summary and pay the CEU fee.** As verification of having viewed the video for Continuing Education purposes, please include a brief summary and/or discussion of the video, including how the information can be incorporated into your practice. Comments about the content and quality of the tape are also appreciated. By "brief," we mean 2-3 paragraphs. Let us know you watched it and absorbed the knowledge. It doesn't have to be a novel; use your best judgment.
6. Videos may be viewed by members without CEUs issued, for the cost of S&H charges only. Please contact the Chapter office for more information.

*I agree to the above terms and conditions for the use of NASW videos.*
